

Got a bright idea?

The Macdonald Student Experience Enhancement Fund can help make it happen!

The Macdonald Student Experience Enhancement Fund (SEEF) provides full-time students registered in the Faculty of Agricultural and Environmental Sciences the opportunity to seek funding for initiatives that go above and beyond the traditional learning experience. Students must submit an application, supported by a compelling case for support (maximum 1000 words), the transformational impacts to be realized by the project, and a business plan, if appropriate.

VALUE: maximum of \$2,000 to any one student, or \$5,000 to any one project

DEADLINE FOR PROPOSAL SUBMISSION: Friday, October 20, 2017

AWARDING OF FUNDS: End of November 2017

All recipients of funding are required to provide a final report or summary of the outcome of the project and feedback on the experience.
