2. Subcommittee Business

BOC Committee –

Internal Committee

Joshua Cao (*VP Internal*) – Slaughterhouse on Nov 27, was a lot of fun despite the low turn out, but we are counting on word of mouth to repeat this event.

University Affairs Subcommittee -

Owen Pflipsen (*VP University Affairs*) -Slowly starting various projects. Immediate action: making an outdoor rink on campus.

3. Action Items

3.1 Policy on Assessment of Student Learning (Informational, Discussion)

Owen Pflipsen (*VP University Affairs*) presented the Policy on Assessment of Student Learning, which outlines the rules of how students should be graded. We need to understand how these policies are respected within Macdonald Campus; the Student Senators Downtown have taken on this project.

A discussion followed:

- Many found surprising facts.
- Most students aren't aware of it at all.
- We should make posts on social media highlighting student rights.
- Perhaps profs could post it on the syllabus

3.2 Mac Day Follow-Up (Informational, Discussion)

Joshua Cao (*VP Internal Affairs*): The Mac Day survey has been sent out for feedback. Who are the reps from the different student groups who will be the liaison with MCSS to organize Mac Day?

Alyson Meadows (*BESS Rep*): - can the rep for MCSS just be the liaison, why does it have to be our VP internal?
